INDUSTRY-EXPERIENCED FACULTY

At GGU, 80% of our faculty are scholar practitioners who currently work in the fields they teach. You'll learn directly from experts who can share valuable insights into what today's employers are looking for.

WORLD-CLASS EDUCATION

We're committed to providing adult learners with the best education available. Our programs are accredited by WASC Senior College and University Commission (WSCUC).

Life At Golden Gate University

Located in the heart of the Bay Area, near the center of downtown San Francisco, Golden Gate University has San Francisco's legal and financial districts on one side and the growing South of Market corporate corridor on the other.

With the city as an extended campus, San Francisco's incredible diversity and rich blend of cultures from around the world prepare students for today's global market. The campus is surrounded by easy access to public transportation, giving students multiple commuting options and access to explore this exciting city and its beautiful surrounding region.

The Bay Area's nine counties encompass more than 7,100 square miles of major cities, rugged coastline, bay shoreline, forests, mountains and open space, including a 76,500 acre national recreation area — a dramatic setting to live, work and learn.

Immersion program

An opportunity to study on the San Francisco's campus. Nestled in the financial district, GGU's campus is surrounded by some of the Top Global Technology and Consulting firms. An

in-person immersion is ideal for a learner who is ready to take their career to the next level and impact their industry in a meaningful way on a global scale.

Learn from Silicon Valley Professionals on the vibrant and energetic GGU Campus

Engage with the art, culture and new age tech at San Francisco

Interact with GGU faculty who've directed professionals to global success

GGU will share the immersion calendar at the start of the program

On-campus sessions with GGU students/alumni

Scheduled to be conducted twice a year

Network with a diverse group of learners from over 48 countries

About upGrad

upGrad is a leading online education platform empowering professionals to reach their full potential through flexible, engaging learning experiences. We partner with top global universities, including Golden Gate University, Edgewood University, ESGI International School of Management Paris, Liverpool Business School, Paris School of Business, Liverpool John Moores University, Northeastern University, among others to offer a wide range of career-focused programs.

As professionals juggle demanding careers and personal commitments, traditional education often feels out of reach. upGrad bridges this gap by making high-quality learning accessible and practical, so education becomes an enabler, not a hindrance.

The upGrad Advantage: Six leadership outcomes only we deliver

We provide a full range of post-doctoral services. Much like a concierge, we work tirelessly in the background so you can focus on your doctoral experience, while we open up a bouquet of stellar outcomes for you.

1. Boardroom Consultant

Earn a revered PwC Directorship and Board Advisory Certification, and be officially recognised as a force to reckon with in the eyes of board nomination committees and executive search firms. Signal your fluency across board-level matters to the world of corporate governance. From risk and compliance, to mergers and acquisitions, to environmental and societal governance.

2. Published Author

Transform your doctoral dissertation into a book or a journal article, and position yourself as a published thought leader in your domain. Establish yourself as a top voice beyond academia. Be quoted by trade media, and be invited to panels at conferences. Learn storytelling from published authors. Turn your “someday I’ll write a book about this” into today!

Frugal Innovation: How Emerging Space Markets are Redefining the Space Race

3. Industry Professor

Give back your entire career's worth of wisdom, and inspire the leaders of tomorrow. Teach as an industry expert, at top universities, by seamlessly pivoting to academia without stepping away from your professional role. Cement your legacy as an icon who not only led the industry but inspired the next generation.

4. Product Creator

Get a clear, practical path from tech leaders who've turned ideas into products. Productise your ideas and turn concepts into business growth. Spot opportunities to solve real challenges using emerging tech! Design winning strategies, prototype and pilot quickly with secure leadership buy-in. Track ROI, create impact!

5. Patented Innovator

Protect the innovations born out of your doctoral research, with our network of top tier law firms specialising in Intellectual Property. From thorough patentability analysis to defining a unique defensible space, to drafting claims using precise legal language to build an ironclad IP that transforms your brilliance into bankable value.

The upGrad advantage for Patent Grants

6. Funded Entrepreneur

Get direct mentorship from established VCs and Founders. Master the art of pitching your business via Silicon Valley storytelling and business models made to withstand the toughest of investor scrutiny. Then culminate your journey at our exclusive VC Symposium Day where you'll get to pitch to real investors with chequebooks in hand!

Your Roadmap from Vision to Venture Funding

PwC Directorship & Board Advisory Certificate

The Directorship & Board Advisory Certification is a specialized executive program designed for professionals aiming to transition into board-level roles. Delivered in collaboration with PwC Academy, this immersive program cultivates strategic thinking, ethical governance fluency, and boardroom confidence through live sessions, real-world simulations, and expert-led masterclasses.

The program comprises approximately 20 hours of live lectures, conducted through masterclasses led by PwC experts. The batch schedule will be communicated to learners well in advance.

Program Outcomes

Practical Board Skills:

Develop boardroom fluency, strategic thinking, and key frameworks necessary for effective boardroom preparedness.

Stakeholder Influence:

Learn how to manage stakeholder expectations, enhance investor relations, and ensure strategic alignment with organizational vision and values.

Governance & Compliance:

Gain deep insights into Indian and global corporate governance standards, legal responsibilities, ethical conduct, and risk mitigation strategies.

Curriculum Overview

An Overview of the Modern Board

Introduction to the Board of Directors and modern boardroom dynamics, covering roles and responsibilities, legal obligations, disqualifications, powers, ethical frameworks, “officer in default,” D&O insurance, and other safeguards.

Corporate Governance, Ethics & Regulatory Frameworks

Explore global and Indian governance standards, best practices, participation frameworks, taxonomy, transparency, integrity, and ESG foundations.

Finance & Risk for Board Oversight

Understand strategic finance and risk, including directors’ responsibilities, red flags in financials, audit committees, internal controls, and related obligations.

Digital, Cyber & M&A Readiness

Examine the board’s role in digital transformation, AI, cybersecurity, and M&A evaluation, including regulator perspectives.

Independent Directors – Risks and Rewards

Learn about regulatory requirements for Independent Directors, enrollment in the Independent Director Databank, qualifications and disqualifications, code of conduct, related party transactions, and director responsibilities.

Stakeholder Engagement & Investor Relations

Master stakeholder mapping, effective communication, board dynamics, decision-making processes, investor expectations, and strategic engagement.

Final Project: Board Simulation & Readiness Presentation

A hands-on simulation project to demonstrate boardroom readiness and application of program learnings.

*(Topics are indicative and subject to minor changes.)

PwC Program Experts

Manisha Narang

Manisha Narang, Subject Matter Expert, is a seasoned Company Secretary with over 20 years of expertise in corporate governance, regulatory compliance, board advisory, and cross border business structuring. She specializes in guiding boards, managing risk, enabling regulatory clarity, and supporting M&A, NBFC licensing, and global market entry for leading organizations.

Shekhar Chopra

Shekhar Chopra, Subject Matter Expert, is a qualified Company Secretary with 15+ years of experience in corporate governance, M&A, board advisory, and regulatory compliance. He has led governance frameworks, board evaluations, risk management, and shareholder engagement across top firms including Deloitte, EY, and SRL Diagnostics.

*List of all faculty teaching in the PwC program will be shared with the students before the start of the sessions

Where Research Meets Recognition: Patented Innovations by Our Learner

At upGrad, we believe in cultivating not just academic research but real-world breakthroughs.

Why This Is Significant for You:

Academic to Applied: Move your research from theory to patent—demonstrating tangible industry relevance.

Mentorship for Impact: Benefit from guidance by faculty and industry experts who support you in publishing and protecting your intellectual

Inspiring Legacy: Your work could become the next highlighted patented innovation on our platform.

Dr. Venugopal Padmanabha, one of our DBA learners, successfully filed a patent on “A Method for Impacting Leadership Style on Workforce Productivity in IT Captive Centers,” published in the Indian Patent Journal (Feb 2024). The invention explores how leadership styles directly influence workforce efficiency in IT captive centers.
