About **Golden Gate University - San Francisco**

Golden Gate University, a private nonpro t university in the heart of San Francisco's financial and high-tech district, empowers working professionals to achieve their professional goals with nationally renowned undergraduate and graduate degrees and certi cated. Founded in 1901, GGU has been a leader in online

maximum flexibility for modern students. With a primary campus in San Francisco, GGU also Seattle. GGU graduates join nearly 70,000 alumni. GGU has been repeatedly ranked as #1 in the United States for working professionals based on superior flexibility and carrer outcomes for students.

Our association with upGrad cements GGU's vision of enabling high quality education for working professionals who aspire to do more than their day-to-day jobs. We're eager to welcome learners from across the world to learn through online & hybrid channels and be a part of our heritage to become the leaders of tomorrow. With this partnership, we aim to create an impact in the lives of students with the availability of scholarships.

Bruce Magid

Provost
Golden Gate University, San Francisco

Life At Golden Gate University- San Francisco

The GGU campus is in the heart of San Francisco's thriving high-tech and financial district, an epicenter of global innovation. With neighbors like Salesforce, LinkedIn, Airbnb, Pinterest, and Twitter, a GGU degree helps unlock opportunities with the world's leading employers. San Francisco consistently ranks among the best cities in the U.S. and the world. Home to a booming economy, delightful weather, world class food, arts and culture, plus endless options for active outdoor living, the Bay Area is one of America's most popular cities to visit, work, and live. Our notable alumni are leaders in business, tax, law, technology, government, healthcare and higher education across the globe.

About upGrad

upGrad is a leading online education platform empowering professionals to reach their full potential through flexible, engaging learning experiences. We partner with top global universities, including Golden Gate University, Regis College, SGC International School of Management Paris, Liverpool Business School, Paris School of Business, Liverpool John Moores University, among others to offer a wide range of career-focused programs.

As professionals juggle demanding careers and personal commitments, traditional education often feels out of reach. upGrad bridges this gap by making high-quality learning accessible and practical, so education becomes an enabler, not a hindrance.

To date, upGrad has delivered over 100 million hours of learning, empowering thousands of learners worldwide with the knowledge and skills to advance their careers.

Scholarships offered by

GOLDEN GATE UNIVERSITY
San Francisco

upGrad

GGU has been at the forefront of making higher education affordable and accessible to all, primarily working professionals. We prepare graduates to lead and serve through high-quality, practice-based educational programs.

Since our first San Francisco night classes in 1901, GGU has been a supporter of self-made individuals. GGU scholarships are available for students who seek to gain a new perspective on the changing landscape of business administration.

Ronnie Screwvala

Co-founder and Chairman

upGrad

The scholarship helps motivated students gain industry-relevant knowledge and transferrable skills that employers want. Online + hybrid education is the real answer for working professionals who want to advance their careers with a degree from a San Francisco-based university.

Program Information

The **GGU Master of Business Administration (MBA)** program will advance your leadership skills and business knowledge using an activity-based learning approach. Our faculty members are seasoned professionals in their respective fields and will prepare you to lead in today's complex business environment.

The GGU MBA builds business decision making and leadership skills that provide an integrated perspective of management and allows you to tailor your program with one of several concentrations to meet your interest and goals.

Since the introduction of our MBA program over half a century ago, GGU has pioneered evening and online programs for working professionals to achieve their career objectives.

Program Highlights

Membership and Accreditation

GGU is a member of the AACSB and accredited by WASC Senior College and University Commission, the organisation that accredits universities in California and Hawaii, including Stanford, University of San Francisco, UC Berkeley, UCLA and more.

Live Interactive Classes

Academic support offered from faculty members, teaching assistants, and your peers across the world.

San Francisco Business Leaders

Benefit from direct and personal interactions with GGU scholar practitioners based in California, the world's fifth largest economy.

Affordable Fees

Through hybrid learning and available scholarships, students can reduce their fees for a GGU master's degree by up to 30% off the cost of a full-time, on-campus master's degree.

Developing Global Leaders

GGU's 70,000+ alumni include mayors, NASA astronauts, members of the C-suite of leading global organizations, entrepreneurs, and legal experts.

Skills Based Curriculum

Prepare to tackle real world business problems with a unique curriculum that incorporates theory alongside practical and relevant industry knowledge.

Student Learning **Outcomes**

Graduates of the Master of Business Administration program will have the knowledge and skills to:

- Demonstrate a general management "holistic" perspective
- Demonstrate managerial and leadership skills, such as teamwork, critical thinking and problem solving, communications and presentations, self-awareness
- Master and apply general management analytic processes and tools for decision making
- Integrate strategic business objectives within competitive industry dynamics
- Integrate strategic business objectives within the socio-political-economic-ecological-global context
- Understand functional areas' impact on business and departmental interaction issues
- Demonstrate integrated business level planning
- Demonstrate an understanding and ability to identify the ethical, environmental, and social implications of business issues and formulate appropriate responses
